want to insure your time and you need the protection, then why not let us

## ORGANIZED IN 1851. YOU CAN WIN WITHOUT DYING, Though you are bound to win if you die, provided you are insured. ARE YOU?

The insured under policy 106,037 in the  
PHOENIX MUTUAL LIFE INSURANCE COMPANY,  
of Hartford, Connecticut, who took out a 20-Year Endowment, near middle life, is very much  
alive. This is how he won:

He Received  
at maturity, the face value of the policy— \$10,000

He Paid  
twenty annual premiums and received in annual dividends \$7,280

His Profit was \$2,720 or over 37 per cent more  
than he paid, even at his age.

Had he died during the 20 years, his Beneficiary would have received  
the \$10,000 plus the annual dividends up to that time, whatever year, which,  
say, at two years would have been \$10,230, at ten \$11,330, and so on. THIS  
TELLS THE STORY: "WE PAY ANNUAL DIVIDENDS."

## SALUDA.

### BRIDGES WASHED AWAY, DISPEN- SARY MATTERS & C.

(From our regular correspondent.)

On last Friday night exceedingly  
heavy rains fell in and around Saluda.  
Right heavy wind accompanied the  
rain and in many places corn was  
very badly blown about. We have  
not heard of any place in the county  
where it did not rain on that night,  
but, that the rain reached over a  
good portion of other counties. This  
is the first rain of its kind that we  
have had for quite a while. In many  
places creeks and branches ran very  
high, doing much damage to land and  
crops. Many small bridges in the  
county are reported washed away and  
many torn up.

The sick of Saluda are all improv-  
ing and reported to be doing as well  
as could be expected.

Mrs. Alvin Etheredge has been sick  
for the last week, but is able to sit up  
now.

Miss Ida Krepps, niece and adopted  
daughter of Shem Amacker, of the  
Big Creek section, has been exceed-  
ingly sick with typhoid fever. She  
came to Saluda to attend the Summer  
School and while here took sick. Drs.  
Pitts, Sloan and Kirksey have been  
in attendance. Miss Ida Perry is  
nurse. She is reported to be some-  
what better, but is critically ill yet. Her  
mother came over from Augusta to  
see her, but could not stay on account  
of sickness at home.

Newton Foy, a son of T. A. Foy,  
borrowed a mule from Mr. Jim Ruth-  
erford on last Sunday to go to see his  
uncle Sud Merchant. Everything was  
all right until near Mr. Merchants,  
where the mule threw him and broke  
his arm. The Dr. set his arm and  
says that he can come home in a few  
days.

## "NEW BATESBURG— ON THE RIDGE"

AS AN article in the house

To those who have marketed their  
"cents cotton" or have other sur-  
plus funds to invest safely and profit-  
ably we direct your attention to the  
opportunities offered here in "New  
Batesburg—on the Ridge." Here  
where more money has been spent  
and is being invested in improvements  
during the last year than any town its  
size in the State. Real estate values  
have been enhanced from double to  
five times their former values. The  
population of the town is now about  
two thousand, when five years ago it  
was barely one thousand. More than  
a hundred thousand dollars have been  
spent or planned to be expended in  
municipal and private improvements.  
The reasonable taxable value of the  
town is not less than a million dollars.  
New enterprises are being talked of  
and promoted. The operation of the  
new "Summerland" (Tourist) Hotel  
next winter will invite pleasure, health  
and investment seekers into our midst.  
If you have spare money to invest  
come and look around. If you are

ready to invest we suggest that you  
place your idle money in The First  
National Bank of Batesburg for safe-  
keeping and until a more favorable  
opportunity for investment presents it-  
self. This bank allows a liberal rate  
of interest on deposits, the rate vary-  
ing from 4 to 6 per cent per an-  
num. The published state-  
ments of The First National Bank,  
which appear from time to time in the  
"Batesburg Advocate," as required by  
the Treasury Department of the  
United States, will show the steady  
and healthy growth of this institution.  
Although the capital has been fully  
paid in little over four years, still  
nearly seven thousand dollars have  
been paid out in dividends, and a re-  
serve and undivided profits fund of  
about thirteen thousand dollars has  
been accumulated, making an asset  
earning of about twenty thousand dol-  
lars in four years on a capital of  
twenty-five thousand dollars. The  
policy of The First National Bank is  
conservative yet liberal, prompt and  
courteous. To insure a continuance  
of this policy we call attention to our  
list of directors and officers: Mike  
Rutland, Alonzo Bates, Tom, Kerna-  
gan, Ambrose Gonzales, John R.  
Watson, Lawrence Rawl, Pope Mat-  
thews, W. W. Watson, David B. Rawl,  
Mike Perry and J. A. Whitten.

on Tuesday, stating that it would be  
necessary for him to undergo an op-  
eration and he could not come for  
some weeks. It is not known just  
what will be done now, but guess,  
that someone else will be employed,  
and that work will begin as soon as  
possible. Rumors are afloat and a  
great deal is being said—much that  
should be unsaid.

It seems, from the reading of an  
article in the State of last week,  
headed "A Real Investigation is  
wanted in Saluda" and signed by D.  
W. Padgett, Supervisor for Saluda  
County, that some of the special com-  
mittee are incompetent to serve on  
this committee and one might read  
between the lines that, on account of  
kinship to ex-county officers, some  
might not report all that was found,  
and might cover up some findings.  
Are all people dishonorable? Could a  
Grand Jury consisting of 18 of the  
best men of Saluda County, not find  
four honest men? Is it possible that  
some of their committee of four must  
be black sheep.

To all who would murmur, complain  
and censure, I would say, say less,  
keep quiet, let this committee do  
what it will and report to the court.  
Then they will be before the public  
and we can have our say also, the re-  
mainder of the Grand Jury can then  
have their say—do not prejudice or  
censure them.

Mr. B. W. Crouch says that enough  
have signed already the petition call-  
ing for an election on the Dispensary,  
I mean enough have signed to make  
sure of an election, several that hold  
petitions for signers have not sent in  
theirs. The friends of the anti-dis-  
pensary movement would be glad, if  
every one in the county would sign  
this petition that are qualified.

Mr. B. F. Sample Sr., has severed  
his connection with the Saluda Times.  
Mr. Jim Davis was brought before  
Magistrate Etheredge last Saturday,  
charged with selling whiskey; he pled  
guilty and was sentenced to 30 days  
on the chain gang, or \$100. It is said  
that he will pay his fine. Mr. Davis  
is reported, said that he was not  
selling himself; he is out on bail  
now.

## A TRIP TO SALUDA COUNTY.

### PROCEEDINGS OF THE UNION MEETING—PERSONAL NOTES.

On Friday afternoon, July 28th, in  
company with the Venerable, Dr. W.  
H. Timmerman, I left Batesburg for  
Chestnut Hill Baptist church, in Sa-  
luda county, for the purpose of at-  
tending the Union meeting of the  
upper division of the Ridge Associa-  
tion.

After a pleasant ride, of about 32  
miles, we came to the home of Mr.  
Harry Culbreath Strother. At this  
elegant home, nestled in a grove of  
beautiful oaks, we were elegantly en-  
tertained by Mrs. Strother and her  
versatile and accomplished daughter,  
Miss Fannie. On Saturday a. m.,  
after a night of refreshing sleep and a  
bountiful breakfast, we resumed our  
journey to the church, about four  
miles distant, where we found a few  
people assembled, the hour being  
early; in a short while there was a  
good crowd present.

The church is a neat and commo-  
dious building, nestled in a beauti-  
ful grove of pines.

The Union was called to order by  
the president, Capt. W. H. Holstein.  
J. C. Glover was requested to act as  
clerk of the union.

"What course should a church pur-  
sue as to those members who do not  
attend its State Services," was dis-  
cussed by J. C. Glover, E. A. Perry,  
Rev. D. H. Crosland and Dr. W. H.  
Timmerman.

Delegates were present from the  
following churches: Batesburg, Pethel,  
Ridge Spring, Sardis, Salem, Pine  
Pleasant, Chesnut Hill, Red Bank,  
Good Hope, Richland and West Creek.

Prof. L. B. Haynes of Leesville and  
Rev. Mr. Humphries of Saluda, were  
recognized and welcomed to seats in  
the body.

The second query discussed was:  
"What should be the Christians At-  
titude towards the Use and Sale of In-  
toxicating Liquors?" The following  
gentlemen spoke on the question: W.  
L. Daniel, Hammond Etheredge, Rev.  
J. A. Carson and Prof. L. B. Haynes.

Office.  
is a young man or per-  
sonality. He spoke to  
subject with burning eloquence and  
a fearless spirit and made a profound  
impression on all who heard it. He  
did not fail to pay his respects to the  
"Great Moral Institution."

"Young men and women as factors  
in our religious activity," was a sub-  
ject discussed by Alvin Etheredge, Rev.  
Humphries, of the M. E. church, Dr.  
W. H. Timmerman and Rev. R. W.  
McMillon.

After these questions were discussed  
the day was far spent and the various  
delegates were assigned to homes by  
the committee on hospitality. It was  
our good fortune to be assigned to the  
home of R. D. Amacker, and it was  
at this home, that my good friend, Dr.  
Timmerman and myself spent the  
night. Mr. Amacker is a farmer in  
the true sense of the word, and he  
and his good wife know how to treat  
the strangers within their gates.

On Sunday a. m. we again went to  
the church, where a goodly crowd  
was gathered. By the time the hour  
arrived for the meeting to begin  
the large grove was alive with people  
young and old, who had come from  
every direction. The morning session  
was spent by devotional exercises,  
led by Dr. W. H. Timmerman, after  
which, "The hurtful influence of a  
Christian is in his life," was discus-  
sed by T. D. Villard and Rev. M. D.  
Padgett. Mr. Villard was requested  
by a vote of the body, to have his ad-  
dress published in the Religious Press.

At 11:30 a. m. the Missionary ser-  
mon was preached by that prince of  
men, Rev. D. H. Crosland, who is the  
pastor of Red Bank church at Saluda.  
He took for his text, Rev. 22:1,  
"And he showed me a pure river of  
water of life, clear as crystal, proceed-  
ing out of the throne of God and of  
the lamb." It would be useless to  
attempt to give a synopsis of this  
sermon as it would mar its beauty.

Suffice it to say, it was an able ef-  
fort and the vast congregation paid  
rapt attention, as the words of sober-  
ness and truth fell from the lips of  
the consecrated man of God.

After the sermon, the vast crowd  
repaired to the grove, where the good  
ladies soon had the tables laden  
with every thing that is good to eat.  
After regaling the innerman, the  
good doctor and myself took our de-  
parture for Batesburg, and we feel  
that it was good to have been there.

The crops, on the way to and from  
Chestnut Hill, are good. We went  
one way and came back another.
